Subject: FW: USACE Letter to Sen. Baldwin 25 Aug 2017

Good morning--

During last week's conference call re: the Back Forty Mine project, Charlie promised to send you a copy of the letter sent by USACE Detroit District to Senator Tammy Baldwin's office on Aug. 25 in response to her letter, which asked USACE to assume authority over the Back Forty permit application. A scanned copy of our response letter is attached. I'm sending this for Charlie, as he is having computer issues this morning.

If you have any questions, please let Charlie (or me) know. Thanks--
